SFEI Financial Hardship Application

Name(s) of Child(ren): _____

Terms of agreement:

1. If your child attends the center during furlough, you will be charged for the days your child attended after the first pay date following the end of the furlough.
2. If the government grants back pay, you will be charged the full tuition amount after back pay has been received, regardless of whether your child attended or not during the furlough. This will allow SFEI to be fair to our teachers and staff and allow them to be paid for this time as well.
3. If the government does not grant back pay, you will not be charged tuition for any days your child does not attend during the furlough.
